Our dear friends,

Two requests: Robin and I have continued to experience the enemy's attacks in various ways especially in regards to our immediate family. Please pray for victory and rest. And secondly I will be in an intensive seminar on sexual purity for some 45 of our young Navigator staff men starting next Saturday through Tuesday. (14-17 May) Please pray again against the enemy's schemes and that God will be glorified in our lives.

A man I mentor up in Greeley, CO shared a definition of humility with me yesterday: "Humility is not thinking less about yourself but rather thinking about yourself less." I just love being mentored!

Robin and I thank you all so much for your huge part in all we are about. Blessings on you all. Love Harry & Robin
