

Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways acknowledge Him, and He will make your paths straight.

Proverbs 3:5-6

DON & JULIE FLOWER
NEW TRIBES MISSION

AUGUST 2016

Dear Friends,

It's that time of year again when we are reading over the student profiles, cleaning apartments, as the next couple of weeks 94 missionary candidates will be arriving as orientations starts Aug. 15. Some of the couples have children, some without, some with college degrees, others with Bible School degrees. Single guys and single girls! But ALL of them with plans of serving God somewhere around the world involved in church planting in one way or another! Some want to be translators or linguists, several are pilots, others have technology skills and others desire to teach God's Word.

These are outstanding young people! And our desire is

to prepare them in the best way possible to accomplish this goal. The basic training here is a two year commitment! If they go on into linguistics or other specialized areas, then it could be another year or two. But this is not short term missions but career missionaries as they are going into cross-cultural, many times multi-lingual situations! We are so grateful to have a part in training them. Pray for them and us.

We had plans to visit many of you, our supporters, family and friends in Arizona but God had other plans for us. First of all Dwayne and Susie Hess (our daughter) who

have served in Bolivia for 17 years have felt the need for sometime to come back to the USA for educational needs for some of their kids. So they applied for a position here at the training center and are now in the process of moving in. To say the least it is bitter/sweet as we are excited to have them here but know how hard it was to leave their ministry in Bolivia. Pray for them as a family as this is a big adjustment for them all. They are looking for a house to buy and are in the process of enrolling the kids in school.

The next thing that happened, our son, David, informed us that he and his wife are getting a divorce. David brought the kids down to stay with us for a couple of weeks while he worked. They will be starting school soon so we drove them back home but we did enjoy having them. David is making plans to move close to us in November of this year. In moving here we will be able to help him with care for our grandkids. Pray for David and family in all this adjustment.
