

Greetings from Tanzania!

Just a short note to praise God for his goodness to us.

About 2 months ago, my(Gary's) eye specialist found a growth on my left lower eyelid. He said that he thought it could be a basal cell cancer. He said to wait and tell it to get off of my eyelid in the name of Jesus! Obviously our Dr. is a Christian. So, I started looking in the mirror and telling the growth to get off of my eyelid in the name of Jesus! Judy and many others joined in prayer for this growth to go.

Today I went back to the Dr. and he looked at my eyelid and said that the growth was gone! So, we are praising God today.

Also, I recently visited with our church planters in the Bagamoyo area. I was so blessed by their ministries. They are reaching out in the name of Jesus to their neighbors. One felt led by the Lord to begin teaching the Koran to his Muslim neighbors. They came and asked him to teach them knowing that he was now a Christian, but had been a Koranic teacher. He is sharing with them, befriending them, and showing them Jesus. He expects several to come to Christ.

Another heard that his Muslim neighbor was sick, and so he went to visit the lady. Her husband explained that she had a blocked colon and couldn't eat or pass food. The church planter asked the husband if he could pray for the lady in the name of Jesus. He was desperate, and agreed, as nothing else had worked. The church planter prayed, and she was better immediately, but not healed. So, he prayed again and *she was healed and began to eat.* The family now wants to know more about Jesus.

Another Church planter befriended his neighbor whom no one liked because he was a **Witch Doctor**. They have become friends, and the wives have also become friends. The neighbors (both Christians and non Christians) are amazed that a Christian would befriend a man like him. BUT he is hearing the Gospel, and we expect him and his wife to come into the Kingdom of God!

Thank you for your partnership in Prayer and finance, so that this ministry can continue!

Blessings,

Gary and Judy Woods
